

LLEWELYN POWYS – CONTRIBUTIONS TO PERIODICAL AND BOOKS

Note: This file is of contributions by L.P. to newspapers, periodicals and magazines entered by date. In some cases there are duplicate copies.

Note: In some cases, the title and identifying marks have been scribbled out of a newspaper article and used elsewhere. This is indicated by “recycled.” LLP did a lot of this.

Note: Books containing essays by Llewelyn listed at end. If they contain *only* Llewelyn then filed after Books by LLP. If they are books containing articles or essays by other Powyses then filed separately as Books and Articles Containing Several Powyses.

Note: Periodical articles are in a separate archive box marked Llewelyn Periodicals.

Note: Feather did not collect Llewelyn Contributions so this inventory is exclusively Bissell
