

## LLEWELYN POWYS - TYPESCRIPTS

---

Both the typescripts and the manuscripts in the Llewelyn part of the Collection were in surprisingly poor condition. Folded corners, very rusty clips and pins which were almost impossible to remove, and which had also stained adjacent pages.

[ **Bissell Gift. There are no Llewelyn typescripts in the Feather Gift.** ]

## LLEWELYN POWYS - TYPESCRIPTS

---

### *Earth Memories*

Complete book in typescript and tear-sheets. With ms prelims and proofs of wood-engravings by G.M. P.

- Bissell has paginated it - 156 pp

Note: In very poor condition, many rusty clips and pins removed but paper fragile and many pages rough at edges.

---

BOXED IN SEPARATE CLAM

### *Now That the Gods Are Dead*

- 21 pp

- With ms corrections and alterations by Ll. Powys

- not titled.

### *Swiss Essays*

Two typescripts versions - one set with corrections by Alyse Gregory and notes by Louis Wilkinson. With ms notes by Ll.P. on illustrations.

Corrected copy seems complete. Except that there is an extra copy of the Kirchner essay, uncorrected, and extra copy of "The Flowers of Switzerland" which in *Swiss Essays* became "Flowers of the Mountain"

Second copy has no corrections but should be re-checked. It appears to be incomplete.
