

## THEODORE POWYS - TYPESCRIPTS

---

### [Bissell Gift]

**Note: when these were inventoried some of the stories were unpublished. Since then Eileen Mencher has published a number of them. Her 2 volumes of T.F. short stories (*T.F. Powys Selected Early Works*, 2 vol, ed with introduction and notes by Elaine Menscher. Harleston, Norfolk: Brynmill Press, 2003) are under Miscellaneous Gifts/ Powys Society. There was a deal of correspondence about her transcriptions. The file is now in the archive box with the typescripts.**
