The total cost of the conference will, therefore, be £71.10.

Please complete the booking form at the end of this notice and return it to the Secretary at the above address to arrive not later than July 31st. Please also specify and particular dietary or accommodation needs.

No further notice of this meeting will be sent out and members are advised to bring this notice with them to the conference.

The following maps, provided by the University of Bath, will be of use to members.

HOW TO REACH THE UNIVERSITY:

"The University is situated on a plateau overlooking the city on Claverton Down and is best approached via North Road and Quarry Road. Coming from the North (A46) and East (A4), look for signposts for the A36 (Warminster). North Road is on the right approximately 300 yards after joining the A36 and signposted Claverton Down."
Campus facilities are available during the Easter and Summer vacations for use by conferences or other groups wishing to stay in Bath. The campus is situated on Claverton Down, commanding views to the south across National Trust land and yet within a mile and a quarter of the City Centre, and is ideal for such visitors.

Conference accommodation, catering and meeting areas are all centrally placed within the compact and integrally planned campus providing a highly convenient service for conferences. Suitable rooms are available for dancing or special functions.

MINUTES OF THE ANNUAL GENERAL MEETING- 1985, Bangor.

There were no matters arising from the minutes of the previous A.G.M. and these were unanimously approved.

SECRETARY'S REPORT: The secretary reported that the first meeting following the conference at Exeter had taken place on December 1st 1984, when SUSAN HUXTABLE SELLY gave a long and fascinating paper on John Cowper Powys's novel WOOD AND STONE. The meeting had been advertised as taking place at Liddon House, but, owing to a misunderstanding, had been transferred at the last minute to the Women's University Club, for which arrangement we also thank Susan Huxtable Selly.

The second meeting of the year took place at Liddon House on March 23rd 1985. Sadly, this was the very day on which The Times carried its obituary of our late President Prof. G. WILSON KNIGHT, who had died on March 20th. Despite the sadness cast over our meeting by so great a loss, members were fascinated to hear from ROSEMARY MANNING an account of the work of ALYSE GREGORY, which contained several extracts from little-known works. Members also had the opportunity of examining a volume of the journal of Miss Gregory.
The funeral of Prof. Wilson Knight took place some days later at the SPIRITUALIST CHURCH, EXETER. The secretary also reported that the University of Exeter would be holding a memorial celebration of Prof. Wilson Knight at 5:30 on Saturday November 2nd 1985, to be followed by a performance of TWELFTH NIGHT dedicated to his memory. Booking forms were available at the meeting.

The secretary then mentioned the successful inaugural conference of The Powys Society of North America, held at Colgate University from June 7th-9th 1985 and the publication of POWYS NOTES, their newsletter.

The secretary then apologised for the absence of a map from the conference details. Such a map had been provided by the Normal College.

CHAIRMAN’S REPORT: The Chairman spoke of the importance to members of the life and work of our late President. He referred to the obituary in The Times and noted the brevity of the references to J.C.P. The Chairman then spoke of his own reading of Prof. Wilson Knight's novel KLINTON TOP and read aloud to members extracts from his final correspondence with Prof. Wilson Knight, extracts which might be taken as a final message of continued hope and striving. The Chairman then referred to Wilson Knight's contribution to AUTHORS TAKE SIDES ON THE FALKLANDS WAR (Cecil Woolf), which repeats a similar message.

The Chairman then spoke of the death of ELIZABETH HARVEY, another very great loss to the society. He recounted her career and her inestimable contribution to the work of the society and the establishment of the reputation of J.C.P.

The Chairman then referred to the work of The Powys Society of North America and the success of their inaugural conference.

He went on to speak of the importance of the extensive diaries of J.C.P. and especially of the portrait they provide of PHYLLIS PLATTER. Unfortunately there are no immediate plans for publication. Mention was also made of the British Council booklet on THE POWYS BROTHERS by R.C. Churchill and members were informed that this was still available. The attention of members was also drawn to THE QUEST FOR MERLIN (Hamish Hamilton) by NIKOLAI TOLSTOY, which refers to JCP and PAGUS. Members were also informed that, in an article entitled "THE SCANDAL OF THE NOBEL PRIZE", published in the NEW YORK TIMES on September 30th 1984, GEORGE STEINER had mentioned the case of John Cowper Powys in relation to this prize.

The Chairman closed his report with a vote of thanks to our speakers, the treasurer, the secretary, Mr Ian Hughes for his initial contact with The Normal College and Belinda Humfrey for the continuing excellence of THE POWYS REVIEW.

The Chairman also informed the meeting of the decision of the committee to invite Dr. Glen Cavaliero to become our new President and of his acceptance of the invitation. It was also mentioned that Prof. Wilson Knight had left a bequest of something in the order of £1000 to the society.

The Chairman then announced that he did not intend to stand for re-election at the next A.G.M.

TREASURER’S REPORT: The Treasurer circulated copies of a detailed statement of the society’s financial position, which indicated that the society’s account was £1405.57 in credit.

The Treasurer also reported that three members had died, five had officially resigned and twenty-three had still not paid subscriptions for 1985. There were twenty-one new members.

MATTERS ARISING: FRANCIS FEATHER suggested that the Wilson Knight bequest be used as the basis of a reserve fund, which should aim to equal one year’s income for the society. This should be deposited in a building society on a long term withdrawal basis in order to earn the highest possible income. IAN HUGHES suggested that some accounts provided high interest with instant access, provided that a minimum sum was maintained. Mr Feather proposed that the reserve fund should be so established and this was seconded by TIMOTHY HYMAN. The motion was carried unanimously.

ELECTION OF OFFICERS: The present officers were re-elected unanimously and the Vice Chairmanship of Timothy Hyman was re-assigned by the Chairman.
COMMITTEE MEMBERSHIP: The precise membership of the committee was questioned. GLEN CAVALIERO said that there was no fixed number of members and that present members, in addition to the elected officers, included Susan Hurtable Selly, Belinda Humfrey, Cicely Hill, Francis Feather and Jim Dawson. MORINE KRISSTOTTIR was then nominated for membership of the committee by Timothy Hyman. The nomination was seconded by Paul Roberts and unanimously approved by the members. James Turner and Ian Hughes were also nominated, but were unable to accept the nominations.

VENUE OF THE 1986 CONFERENCE: Several possible venues were suggested, including Glastonbury, Dorchester, Weymouth, Bath, Burnham-on-Sea and Millfield School, Street, Somerset. Glastonbury, Bath and Millfield seemed to be most favoured. Susan Rands undertook to investigate the possibility of using Millfield.

BOOK SALE: Following the A.G.M. the Annual Book Sale was conducted by Francis Feather. A very large number of books, including many rare and valuable items, had been donated by members. The sale realised a profit of £520.61. We extend our thanks to Mr Feather and to all of the members who so kindly donated their books.
